# Important information

## WEEE Symbol Information

### **Correct Disposal of This product (Waste Electrical & Electronic Equipment).**

#### **(Applicable in the European Union and other European countries with separate collection systems).**

This marking shown on the product or its literature indicates that it should not be disposed with other household waste at the end of its working life. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate this from other types of wastes and recycle it responsibly to promote the sustainable reuse of material resources.

Household users should contact either the retailer where they purchased this product, or their local government office, for details of where and how they can take this item for environmentally safe recycling.

Business users should contact their supplier and check the terms and conditions of the purchase contract. This product should not be mixed with other commercial wastes of disposal.

## RoHS

This products has been certified as RoHS Compliant.
