

Frozen Fighter AM2

The XILENCE Frozen Fighter AM2 has an aluminium heat sink and the 92mm fan provides for a very good air flow at a low noise level. Additionally, the decoupled arrangement of the fan decreases the transmission of vibrations. The Easy-Clip-System makes the handling and installation simple.

Features:

- Silent hydro bearing 92mm fan
- Light aluminum heat sink for low noise development
- Simple installation with easy-clip-system
- Including heat-conductive paste
- Suitable for AMD socket 754/939/AM2/AM2+/AM3/FM1

Technical Data:

Sockets AMD	FM1/AM3/AM2/AM2+/ 940+/939+/754
CPU max. TDP	89W
Fan Size	92 x 92 x 25mm
Fan Speed	2200 ± 10% RPM
Fan Control	no
Sound level	25 dB(A)
Thermalpaste	included
Dimensions	105 x 95 x 69mm
Weight	370g
