

Introducing the Razer Tiamat 2.2, a serious gaming-grade stereo headset optimized for positional audio ensuring complete aural immersion in the heat of battle. This unprecedented headset is also outfitted with a bass driver in each highly comfortable leatherette-cushioned ear cup for maximum boom. Where ordinary headsets crack, the Razer Tiamat 2.2 stays rock solid under intense audio pressure be it in the first hour of gaming or the eleventh.

What you'll get:

- 1 year limited manufacturer's warranty.
- Free online technical support at www.razersupport.com.

7. SAFETY AND MAINTENANCE

SAFETY GUIDELINE

In order to achieve maximum safety while using your Razer Tiamat, we suggest that you adopt the following guidelines:

1. Should you have trouble operating the device properly and troubleshooting does not work, unplug the device and contact the Razer hotline or go to www.razersupport.com for support. Do not attempt to service or fix the device yourself at any time.
2. Do not take apart the device (doing so will also void your warranty) and do not attempt to service it yourself or operate it under abnormal current loads.
3. Keep your device away from liquid, humidity or moisture. Operate your device only within the specified temperature range of 0°C (32°F) to 40°C (104°F). Should you operate it in a temperature that is beyond this range, unplug and switch off the device in order to let the temperature stabilize within the optimal temperature range.

4. The device isolates external ambient sounds even at low volumes, resulting in lowered awareness of your external surroundings. Please remove the device when engaging in any activities that requires active awareness of your surroundings.

5. Excessively loud listening volumes damage your hearing over extended periods of time. The legislation of certain countries allows a maximum permissible sound pressure level of 86dB to affect your hearing for the duration of a working day. Therefore, please reduce your volume level to a comfortable level for longer usage period. Take good care of your hearing.

MAINTENANCE AND USE

There is a little regular maintenance to keep the Razer Tiamat in optimum condition. Once a month we recommend you unplug the device from the USB port and clean the Razer Tiamat with a soft cloth or cotton swab. Use a little warm water but no soap or harsh cleaning agents.

LIMITED PRODUCT WARRANTY

For the latest and current terms of the Limited Product Warranty, please visit www.razerzone.com/warranty.

LIMITATION OF LIABILITY

Razer shall in no event be liable for any lost profits, loss of information or data, special, incidental, indirect, punitive or consequential or incidental damages, arising in any way out of distribution of, sale of, resale of, use of, or inability to use the Product. In no event shall Razer's liability exceed the retail purchase price of the Product.

COSTS OF PROCUREMENT

For the avoidance of doubt, in no event will Razer be liable for any costs of procurement unless it has been advised of the possibility of such damages, and in no case shall Razer be liable for any costs of procurement liability exceeding the retail purchase price of the Product.

GENERAL

These terms shall be governed by and construed under the laws of the jurisdiction in which the Product was purchased. If any term herein is held to be invalid or unenforceable, then such term (in so far as it is invalid or unenforceable) shall be given no effect and deemed to be excluded without invalidating any of the remaining terms. Razer reserves the right to amend any term at any time without notice.
